

Hearth Products Eligible for Tax Credit

Manufacturer's Certificate from England's Stove Works, Inc.

The American Recovery and Reinvestment Act of 2009 (Recovery Act) provides a 30% consumer tax credit (up to \$1,500) for products that meet the IRS guidelines. This applies to products purchased in 2009 and 2010. For more information, visit www.irs.gov/pub/irs-drop/n-09-53.pdf or www.hpba.org. Homeowners should consult their tax advisor to determine whether they qualify for any potential tax credits, and for information on filing for this particular credit.

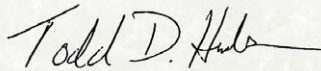

The following products are "qualified energy property" because they are biomass burning stoves for purposes of Section 25C of the Internal Revenue Code:
